

Year 6 News

Friday 31st January

In English, we continue to develop our journey through Ernest Shackleton's adventures at the South Pole. The children will be writing a detailed diary entry as their character next week – we are looking forward to what they come up with!

In maths we continue to strengthen our skills across all areas of the curriculum, with special help from our online software tool, LBQ. Next week we are diving into algebra.

Keep up the hard work everybody!

Extra Homework

Please feel free to browse the BBC Bitesize website for any extra maths and English practice. There may be a little reward at the end of the week for children who have completed extra homework:

www.bbc.co.uk/bitesize/primary

PE (again!)

Please make sure your PE kits are all present and correct:
Blue T-shirt
Blue Shorts
Trainers
Tracksuit bottoms and a sweatshirt/hoodie for cold weather.

Visitors

We continue to have Sharon from Heads Up and PC Lindsay Dell visit us once a week to discuss some really interesting topics. Please ask your children what they have been learning about in these sessions.

HOME LEARNING

Reading – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://global-zone61.renaissance-go.com/>

Maths and SPaG – this week's maths and spelling homework is online at:

www.lbq.org/task

The class codes are:

6B – yr 8g vv ya

6H – 5z 6v rt nv

Times tables – please spend an average of 5 minutes a day practising on TT rockstars: <https://play.ttrockstars.com>

Please make sure homework is completed by Wednesday morning. There will be an opportunity on Thursday lunch time to complete activities at school if they have not been done at home.
