

Year 5/6 News

Friday 18th October 2024

We are nearly at half term; just one week to go!

The children have been learning how to do long multiplication, write character descriptions, reflect on their learning in science, think about our rights, consider e-safety, design a 3D setting for a puppet show and play attack and defence games in PE.

Mr Hubbard, Mrs Batten and Mrs Hamilton,

HOME LEARNING- Homework is due in by Wednesday and there will be a homework club on **Thursday** lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should **read at home for 20-30 mins daily**, this is on top of any reading done at school. This may be reading to an adult or independent reading. We will see the children have done this homework by looking in their reading record.

Maths – in maths we have been focused on multiplying numbers . **This week's homework is a worksheet** which allows the children to practice this. The children also need to **log into TT Rockstars** this week. They are aiming for an average of 5 minutes per day over the week.

Spellings– we have been focusing on the Y5/6 spellings again this week. There are activities on Spelling Shed to be completed by Wednesday.

OPTIONAL homework

The Rotary club are running four competitions this year for **Young musician, Young writer, Young photographer and Young artist**. Further information can be seen in the Y6 homework section on the website (20th September folder). It would be amazing to have some Y6 children enter these fabulous competitions.

Vocabulary

Children need to know these grammatical terms:

Noun- a person, place or thing

Verb- a doing, being or having word
