

Year 5/6 News

Friday 27th September 2024

Another busy week in Y6.

This week we have been writing explanations in English, thinking about rounding numbers and negative numbers in maths, learning about our pulse rate in science, exploring different medium in art and trying to improve our shooting accuracy in PE.

We are looking forward to meeting many of you over the next few weeks at parent's evenings. Please make sure you have signed up on Parent Bookings.

Mr Hubbard, Mrs Batten and Mrs Hamilton,

HOME LEARNING- **Homework is due in by Wednesday** and there will be a homework club on **Thursday** lunchtime for anyone who has struggled with the tasks or those who haven't completed the work set.

Reading –Children should **read at home for 20-30 mins daily**, this is on top of any reading done at school. This may be reading to an adult or independent reading. We will see the children have done this homework by looking in their reading record.

Maths – in maths we have been focused on rounding numbers. **This week's homework is a worksheet** which allows the children to practice this. The children also need to **log into TT Rockstars** this week.

Spellings– we have been focusing on the Y5/6 spellings again this week. There are activities on Spelling Shed to be completed by Wednesday.

OPTIONAL homework

The Rotary club are running four competitions this year for **Young musician, Young writer, Young photographer and Young artist**. Further information can be seen in the Y6 homework section on the website (20th September folder). It would be amazing to have some Y6 children enter these fabulous competitions.

Could children please try and bring in a plastic water bottle for our science session next week?

We don't need one each so if you haven't got one please don't worry

PE

Children will need their PE kits in school everyday but our timetabled lessons are as follows:

6H Monday and Thursday
6B Monday and Wednesday
