Super Sportsmanship

What a wonderful first week back! We have done so much already. The children were fantastic during our sports day events showing amazing sportsmanship towards each other. They showed endeavour and resilience throughout. Thank you to all the parents that also came to watch.

The children also had a fantastic picnic lunch on the field dressed in red white and blue. In the morning, we made some fantastic bunting that will be up during our Jubilee celebrations.

The year 3 team

HOME LEARNING

Reading –Children should aim to read at home for 15-20mins daily. One of your reading sessions at home this week let the children pick out new words or words they don't know and find their meanings in a dictionary. It is also great to see so many children quizzing!

Maths – This week on MyMaths we have set you some Fractions work. Take a look and see what you can remember.

Times tables – There is a challenge on Times Tables Rock Stars between the local learning community in Exmouth. Please get on as often as you can to add to our score. See Mrs Rickword or Miss Wheeler if you have forgotten the login.

Optional Extras – There is no requirement to complete these tasks, they are entirely optional. In art we are looking at drawing with pens. See how many different pens you can find at home and have a go at creating a fantastic page filled with different pens and the makes they make.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email: 3w@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

numerator denominator

adjective inverted commas

pollination germination fertilisation

Spellings
