## Back with a BANG!

What a great start to the summer term, the children have settled straight back in.

We did have some disturbance in our shared area at the beginning of the week and we have been gathering evidence to write our first news report – you can see the mischief made on our school website!

## HOME LEARNING

**Reading** – Please continue to **record** the reading in the green reading record. Children should aim to read at home for 15-20mins daily with an adult. As a reminder, we do not mind if the children are recording in their books themselves, but we need to ensure they are reading every day.

**Maths** – Please complete the work on My Maths. We have been looking at column subtraction this week, and exchanging tens and hundreds where necessary.

**Times tables** – Get back into times tables by practising 2s, 3s, 4s, 5s, 8s and 10s. You can use TT Rockstars or Hit the Button to do this.

**Optional Extras** – We have introduced new sequences of learning in Geography and PE all to do with orienteering and compass reading. If you're out and about, try to locate North, South, East and West. Maybe you have a compass of your own you could take out and about with you! If not, keep your eyes peeled for maps and grid references to help you locate landmarks.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:
