

Year 3 News

Friday 18th March 2022

Good news

The children were fantastic during our recent OFSTED visit. They were a real asset to you all. They enjoyed sharing their learning and talking about the awesome things we get up to in school.

Don't forget to book in your parents evening through the link sent via myed or via the office. We look forward to sharing the children's learning with you in person!

Year 3 team

HOME LEARNING

Reading – Please continue to record the reading in the green reading record. Children should aim to read at home for **15-20mins daily** with an adult.

Maths – Please complete the work on My Maths. This week there is one task to focus on linked to addition and subtraction. We have started our unit on multiplication and division. After this we will be returning to the column method.

Times tables – Use TTRS and challenge yourself to get as many answers as you can in the time given. Try questions from the four times tables.

Optional Extras – Now the children are half way through year 3, we thought it was time to learn how to tie their own tie. In year 3, we will have a tie, tying competition in two weeks (on Friday 1st April)

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:
3w@brixington.devon.sch.uk 3r@brixington.devon.sch.uk

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

human features physical features

factor product

paragraph

Spellings

The children should know these words **inside-out, upside-down and back to front, as well as in context!**

disappear

disbelieve

Can you get both these words into the same sentence?

NOTICES

Could we please now have any large cereal boxes sent in. These will be used in our science lessons.

Please can all children bring their books in to school every day.

Thank you
