Friday 7th January 2022

New Year

What a wonderful first three days back at school. The children have made a fantastic start back modelling our school values.

We have had lots of hands on experiences in the past three days including weighing things, measuring out water and playing team games.

We are very excited for the coming term. Please see the letters brought home by your child.

Year 3 team

HOME LEARNING

Reading – Please continue to **record** the reading in the green reading record. Children should aim to read at home for 15-20mins daily with an adult. The children are doing a fantastic job at quizzing!

Maths – Please complete the work on My Maths. This week there are two tasks to complete. Let us know before Wednesday if you are having trouble accessing this.

Times tables – Get back into times tables by practising your two and three times tables on TTRS. Make sure you can work out the division questions too!

Optional Extras – Design and make your own dinosaur (3D preferred) . These will come in handy when testing out some of our instructions in English as well as travelling back in time with us into the depths of pre-history.

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:
