

# Year 3 News

Friday 15<sup>th</sup> October 2021

## Explaining away...

We have worked hard on our explanation texts this week using adjectives, verbs a range of conjunctions as well as prepositions. What a lot we managed to fit in!

These were shared with each other on Friday and put to the test to make sure they made sense. They explained how a light bulb worked (but not in the way you might think)!

The Year 3 Team

## HOME LEARNING

**Reading** – Keep up the amazing reading! Children should aim to read at home for 15-20mins daily with an adult. Please record the reading in the green reading record. This should be returned to school every day as the children read their books with adults as well as during our reading for pleasure sessions.

**Maths** – Please complete the work on My Maths. This week there is one task to complete. Let us know before Wednesday if you are having trouble accessing this.

**Times tables** – We have begun to explore the three times tables. Please practise this at home. You could try out the Jamming session to focus on multiplication problems.  
<https://play.ttrockstars.com> or you can throw a ball up into the air as you recall the three times table.

**Optional Extras** – In Geography we are exploring topography. You could have a go at creating your own map to a magical land. Remember to include a key and you could use some contour lines too!

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:

## SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

tempo dynamic pitch

represent place value

## Spellings

The children should know these words inside-out, upside-down and back to front, in context!

Extreme

Describe

## NOTICES

We have been amazed at all the reading going on in year 3!  
Keep it up.
