Showing Endeavour...

We would like to say thank you to the children and parents for supporting all of the changes that have happened this week. The children have been amazing and have gotten on with this as normal. Thank you also to our home learners for all their endeavour as well.

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. Please record the reading in the green reading record. This should be returned to school every day as the children read their books with adults and during our reading for pleasure sessions as well. Don't forget that children can enjoy their school book as well as a book for pleasure which you could share together. We love to hear about the new books the children are discovering at home too! Send us a dojo of any awesome reads!

Maths – Please complete the work on My Maths. If you need a reminder of the username and password, please drop us a dojo message and we will respond at the beginning of next week.

Times tables – Continue to practise the 2, 5 and 10 times tables to make sure you know them all (including the division).

If you are not confident in any, please focus on the 2 times table.

Explore <https://play.ttrockstars.com> or you can throw a small ball up in the air calling out the multiples of 2,5 and 10 as you do so.

Optional Extras – In geography we are looking at maps, atlases and globes. If you could go anywhere in the world where would you go and why? Create a poster, draw a picture or collect some information about your chosen location and share it with us!

Please do not send in any paperwork- photos can be taken and sent in via DOJO or class email:
