Fantastic start!

Well done to all for completing your first week in year 3. We have been learning so much already. The children have lots of questions about the topics and subjects we are going to be exploring over the next few weeks together.

Thank you for your support,

The Year 3 Team

HOME LEARNING

Reading – Children should aim to read at home for 15-20mins daily. Each child now has a green reading record. They should record the title and page number along with any comments if needed. Allow the children to enjoy their school book as well as a book for pleasure which you could share together. It is important the children are creating a real 'love for reading' both at home and in school.

Maths – Please spend some time exploring Times Tables Rock Stars. Login details can be found on the inside cover of reading records or by contacting 3R or 3W via dojo.

Times tables –Practice the 2, 5 and 10 times tables to make sure you know them all (including the division). If you are not confident in any, please focus on the 2 times table. Explore <https://play.trockstars.com> or you can throw a small ball up in the air calling out the multiples of 2,5 and 10 as you do so.

Optional Extras – In science we are exploring the five food groups and nutrition. Take a look at home to see what you can find. How many things can you find for each food group?

SUBJECT SPECIFIC VOCABULARY

These words will come up in our learning this week. Please have a conversation at home about these words.

Clause Phrase Conjunction

Equation Subtracting Strategy

Spellings

The children should know this word inside-out, upside-down and back to front, in context!

Can they find any related words?

busy

NOTICES

Please make sure your child has a water bottle and coat in daily.

The children will also be bringing home their reading record (green book) and book. This could come back into school daily with them also.

Thank you.
