

Year 5 News

Friday 5th May 2023

Another week completed in year 5! We worked hard to get our leaflets completed and are really pleased with how they have turned out.

We have really enjoyed learning about the items that were discovered in the time capsule and have been busy gathering items to put in our own time capsules! We have chosen their locations and will be burying them at the start of next week.

We have started exploring recounts in literacy.

We intend to write a recount about the Coronation. We have also started a new unit of fractions in maths this week.

HOME LEARNING

Reading – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://ukhosted88.renlearn.co.uk/2236370> Please record this daily reading in the green reading records.

Times tables – please spend 10 minutes a day practising on TT Rockstars: <https://play.ttrockstars.com>

Maths homework – we have sent home an arithmetic paper. Please spend no more than 30 minutes completing this. If possible, please do try to ensure this work is independently completed. We will go through and mark them all together Friday morning!

Spellings to learn this week – **committee communicate correspond**

Please make sure homework is completed by Thursday morning. There will be an opportunity on Thursday lunch time to complete activities at school if they have not been done at home.
