## Friday 28<sup>th</sup> April 2023

Happy weekend, all!

We had a fantastic time in our sports session run by Becky on Friday. We played some games and drills based around handball and had to make quick decisions under pressure! We have had a lot of fun creating our own Pokémon and monsters and have begun to write non-chronological reports about them. We can't wait to publish them into leaflets! We have got back into a great routine with reading again this week and the reading records are looking great! Thank you for all your hard work and support with this.

Mr Hubbard and Miss Burnett

**Reading** – children should aim to read at home for 20-30 minutes every day. This is on top of any reading that they do at school. This can be either reading to an adult or reading independently for pleasure. You can quiz at home by going to this website: <https://ukhosted88.renlearn.co.uk/2236370> Please record this daily reading in the green reading records.

**Times tables** – please spend 10 minutes a day practising on TT Rockstars: <https://play.ttrockstars.com>

**Maths homework** – <https://login.mymaths.co.uk/login> The task set this week is based on factors and primes as it follows on from our work this week in maths. We strongly advise you to watch/do the lesson on My Maths first to help you with the task.
