

Year 5 News

Friday 2nd December
2022

We have had an exciting week in year 5! We made 3 different size parachutes to see if the size of material had an impact on how it was effected by air resistance. We were lucky enough to rope in Mr Dave who dropped our biggest parachutes from the school roof! We have started new units in literacy (explanation) and maths (multiplication) The rearranged bike ability sessions are starting next week (you should have received a Myed about this) so please feel free to bring your bikes on Monday and leave them in the studio until the end of the sessions.
