

Year 3/4 News

Friday 24th January 2025

Dear All,

What a great week it's been in our unit! The children have had a successful week planning and writing their instruction texts in English, exploring numbers to 10,000 and being inquisitive, little scientists investigating the properties of rocks in science. In French, they have been looking at the French alphabet and have loved playing the glockenspiels to 'Three Little Birds' in music. The children have also revelled in exploring clay in art and have enjoyed looking at shared connections and themes in our reading lessons.

Thanks for all your support.
Have a lovely weekend now!
The Year 3/4 Team

SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

RE: mosque, prayer, community
Computing: input, data, Excel
PSHE: teamwork, cooperation, goal, role

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record and ensure it is in school every day along with their reading book.

Spellings – This week in our spelling lessons, we have been looking at spelling words with the 'ly' suffix. Please log in to Spelling Shed and complete the activities for these words: calmly, exactly, deadly, bravely, boldly, gladly, deeply, clearly, hourly, quickly

Maths – Activities will be set on MyMaths each week to follow up in class learning or revisit key skills. This week we have continued to look at ordering numbers and place value up using thousands, hundreds, tens and ones. There are 3 challenges for the children to complete this week.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>.

Optional Extras – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks.

NOTICES: Trip Days to Lyme Regis 29th and 30th January – please bring a packed lunch, a water bottle, a rainproof coat, wellies and warm clothes for the day. Please check ParentPay and Emails for any information you may have missed.
