

# Year 3/4 News

Friday 29<sup>th</sup> November 2024

Dear All,

Lots of fun learning happening again in our busy unit this week! We have made a start at planning and writing our adventure stories and learnt some super challenging spellings too! The children have worked their socks off in a few assessments too, showing great endeavour and energy! In PE, the children have been developing their teamwork skills and playing fun tag games with the Exeter Chiefs. We have been busy rehearsing songs for the KS2 Carol Concert, and it is beginning to feel all lovely and Christmassy across the school too. In DT, in the next few weeks we will be constructing our own Christmas boxes and will decorate these too with a festive theme!

Have a lovely weekend now,  
The Year 34 Team

## SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

History: timelines, time periods, chronology

Computing: debug, maze, movement

RE: promise, sacred, Holy Bible

## HOME LEARNING

**Reading** – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record and ensure it is in school every day along with their reading book.

**Spellings** – Please spend some time reviewing the year 3/4 Statutory Spelling words in any way possible!

**Maths** – Please complete the maths task on MyMaths – this week they are on place value!

**Times tables** – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>.

**Optional Extras** – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks.

This week we would like you to –

History Extra: Have a think about different time periods eg Tudors, Romans, Saxons etc and pick one to research and make a poster with facts and images.

DT Extra: Unscramble a cereal box and see what type of net it makes. How many flaps does it have?

## NOTICES:

- Exeter Chiefs in on Mondays – make sure you have a PE kit and trainers in school (warm jumpers or tracksuits/ leggings are fine in cold weather)
- If possible, please could you send your child in with a healthy snack of fruit or vegetables for playtime. Lots of learning makes them very hungry! 😊
