

# Year 3/4 News

Friday 8<sup>th</sup> November 2024

Dear All,

We have had a fantastic first week back, including a stunning fireworks display arranged by our fantastic PTA! This week, the children have enjoyed reading Planet Omar in reading and engaged well in analysing the adventure details in the story of UP! They loved playing tag rugby games showing great sportsmanship and teamwork. The children have worked hard maths, with numbers to 1000 solving problems and questions with measure. In DT, we have started looking at 3D shape and form and will continue to explore nets of shapes.

We will continue our work in PSHE celebrating differences next week and will also commemorate Remembrance Day.

Have a lovely weekend now,  
The Year 34 Team

## SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

- English – preposition, inverted commas, dialogue
- DT- nets, 3-dimensional, construct
- PSHE- safe, connected, different

## HOME LEARNING

**Reading** – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record and ensure it is in school every day along with their reading book.

**Spellings** – This week in our spelling lessons, we have been looking at spelling words: **adventure, future, picture, nature, creature, furniture, capture, sculpture, fracture, mixture**

**Maths** – There are some activities about ordering numbers on MyMaths for the children to complete. We have been doing this as part of our Numbers to 1000 unit in lessons. Please keep having a go at TT Rockstars too.

**Times tables** – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.ttrockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>.

**Optional Extras** – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks.

This week you could -

History – Find 3 events from History that happened from the year 1AD to 2024.

DT – Identify shapes in the outside world – Can you see any cubes, cuboids, cylinders or spheres?

## NOTICES:

- Exeter Chiefs in on Mondays – make sure you have a PE kit and trainers in school (warm jumpers or tracksuits/ leggings are fine in cold weather)
- If possible, please could you send your child in with a healthy snack of fruit or vegetables for playtime. Lots of learning makes them very hungry! 😊
- For DT, we are looking at nets of shapes. If you have any cereal boxes, pringle tubes or other cardboard boxes we can deconstruct please send them in with your child.
- PE Days - 3/4P – Monday (outdoor), Friday (Indoor)  
3/4J – Monday (outdoor), Thursday (Indoor)  
3/4K – Monday (outdoor), Wednesday (Indoor)

If your child wears earrings, please can they be removed for PE days for safety reasons.
