

Year 3/4 News

Friday 4th October 2024

Dear All,

We have had a fantastic week again! In English, the children had the opportunity to design fun gadgets for some innovative explanation writing in the next few days and early next week. In geography, they have enthusiastically learnt about physical features of the UK. In French, we have learnt how to say sit down, listen and read, merci!

The children showed excellent musical talents playing the glockenspiel and also enjoyed a Rock assembly! The children also have been very creative, generating their own art ideas for ocean themed typography! Watch this space!
Have a wonderful relaxing weekend,

The Year 34 Team

SUBJECT SPECIFIC VOCABULARY

Each week we will share vocabulary linked to the learning we have planned for the coming week. It is really helpful for the children to become familiar with some of these words before they meet them in their lessons. There is no need to produce any work linked to these words, a conversation at home about the words would be brilliant!

Maths: addend, subtrahend, minuend, sum, part, whole

Science: exoskeleton, endoskeleton, hydrostatic skeleton, vertebrate, invertebrate

HOME LEARNING

Reading – If you have any queries about your child's reading, please use the Reading Records to pass on any comments to the teacher. **Children should aim to read at home for 15-20mins daily.** This may be reading to an adult or independent reading. Please record reading in the green reading record and ensure it is in school **every day** along with their reading book.

Spellings – This week in our spelling lessons, we have been looking at spelling words that are homophones and near homophones. Please log in to Spelling Shed and complete the assignment based on our words: *accept, except, knot, not, peace, piece, plain, plane, weather, whether.*

Maths – This week, we have been adding 2 digit numbers and bridging 100. Please complete the tasks on MyMaths, which recap the learning completed in KS1. This recap will allow the children to refresh their memory as we move forward in our current unit.

Times tables – Times tables are key to so many areas of maths so we would like children to try to spend a little bit of time practising regularly - every day if possible! Children can log on at <https://play.trockstars.com> and <https://www.topmarks.co.uk/maths-games/hit-the-button>.

Optional Extras – Sometimes children are keen to do something extra linked to their learning. We will give ideas but there is no requirement to complete these tasks.

PSHE: Create your own poster to show our school values.

Geography: Research the Three Peaks mountains and find out how high each one them is.

NOTICES:

Please note our usual PE Days:

3/4J - Wednesday (outdoor) and Thursday (indoor). 3/4K PE days are Wednesday and Thursday and - 3/4P – Monday (Outdoor) and Tuesday (Indoor). Children should keep their kit in school, please.

Please can we ask that all school uniform, including PE kits, bags and lunchboxes are labelled to avoid any missing bits and pieces.

If possible, please could you send your child in with a healthy snack of fruit or vegetables for playtime. Lots of learning makes them very hungry! 😊

Spelling

Year 1

the	they	one
a	be	once
do	he	ask
to	me	friend
today	she	school
of	we	put
said	no	push
says	go	pull
are	so	full
were	by	house
was	my	our
is	here	
his	there	
has	where

cold	pass	many	

Year 3

Previously taught homophones, e.g.

- there/their/they're
- see/sea
- here/hear
- one/won
- bare/bear
- son/sun
- to/too/two
- be/bee
- blue/blew
- night/knight

Year 4

Previously taught homophones, e.g.

- affect/effect
- break/brake
- here/hear
- mail/male
- meat/meet
- missed/mist
- piece/peace
- rain/rein/reign
- weather/whether
- who's/whose

Year 3-4 Statutory Spellings
