Computing E-Safety / Gaming

We will continue to learn being SMART when gaming and online. Can you remember what SMART stands for?

Read through the PowerPoint slides on Internet Safety. We would then like you to make a poster on GOOD DIGITAL DEEDS when gaming. How should we behave when online? What nice things could you say to your

friends when gaming and online chatting?

Music

You will need your Charanga login to access your music lesson (passwords were emailed to parents last week). Please complete step 4 this week.
