### **Geography - Mapping Skills: Airhop Exmouth - France**

We will be looking at different maps and navigating to locations in France. There are two maps of France attached on our system for you or you can use GoogleMaps on your laptop. We will then create our own maps.

There is also a worksheet with map symbols for the maps you will be drawing today. It gives you some ideas how you may want to mark the locations on your maps! We are looking forward to seeing the maps you will create! Don't forget, maps are geographer's toolkits!

### **PE - Striking and Fielding - Cricket**

Early WARNING: For this lesson you will need a soft ball, a bin and a target.
