

Year 4 Home Learning – Thursday 4th March 2021

We're sorry you can't be with us in school today. Below are some activities, similar to the learning we will be doing in school, for you to complete. If you have any questions, please either email or send a message via DOJO.

Welcome to Thursday! <https://www.loom.com/share/a8fa072c30914f58b2e212a8e80947a6>

(This clip includes our Word of the Day)

Key skills (every day tasks)

- Practise your **times tables** – using TTrackstar or another way if you prefer – this week's focus is the 8X table.
- **Read** a book for at least 20mins. If you have completed a book, you can log on to Accelerated Reader and see if there is a quiz available. <https://ukhosted88.renlearn.co.uk/2236370> You will need to use the username and password that you normally use in school.
- Practise this week's **spellings** – **group, guard and forward**

Reading - Reading for pleasure today – quiz if you can!

Maths Click on the link for today's maths lesson.

English Continued from Tuesday. Please rewatch Tuesday's lesson if you need to, or re-read the story using the powerpoint and then continue with your story writing!

Science

You have been super scientists whilst learning from home and I am very pleased with the effort you have put into your science work. For our final home learning science lesson I would like you to watch the video first, which demonstrates some different examples of changes of state and then have a go at the suggested science experiment attached ... 'Intriguing Ice'. Have some fun and I look forward to hearing about your results next week.
