

Bonjour!

LO: recognise verbs

Our French focus today is verbs. We will be focusing on the following four verbs in particular.

danser	to dance
sauter	to jump
voler	to fly
nager	to swim

For your task today, we would like you to make your own flashcards to help you remember these verbs.

You may design / decorate these flashcards in any way you wish.

e.g

Next week, we will be using these verbs in sentences. We will be recapping knowledge from this year so far to create sentences involving masculine and feminine nouns and adjectives to describe colours and size.
