### Task 1

Fill in the gaps with a connective from the grid.

|                |             |              |          |       |
|----------------|-------------|--------------|----------|-------|
| because        | therefore   | consequently | now that | yet   |
| as a result of | even though | since        | as       | hence |

- a) The plant died \_\_\_\_\_ being given so little light and water.
- b) Paul was exhausted \_\_\_\_\_ still continued to run to the finishing line.
- c) Max was still angry \_\_\_\_\_ Erwin had apologised for his behaviour.
- d) It hasn't rained for weeks \_\_\_\_\_ the terrible state of the lawn.
- e) I love coming to school \_\_\_\_\_ I really like my teacher.

### Task 2

Write 3 sentences of your own that include a connective

Challenge: Can you use yesterday's learning and include parenthesis?

Can you use the words eventually and consequently?

| Adding   | Time   | Cause/effect   | Contrasting  |
|--|--|--|--|
| and<br>moreover<br>also<br>as well as<br>furthermore | next<br>then<br>finally<br>meanwhile<br>eventually | because<br>therefore<br>so<br>consequently<br>as a result of | however<br>alternatively<br>although<br>except<br>unless |
