Maths:

We are beginning our work on Algebra today by looking at function machines and simple algebraic representations. This lesson will be LIVE at 11:00, but here is a Loom link to get you started:

Please watch the MathAntics videos at some point this week too (on today's maths instruction sheet).

English:

This work needs to be handed in for Feedback. Please send to the relevant class email address (Please hand in by the end of the day on Wednesday).

In the lesson today, the children will be creating an exciting way to present their chapter from Goth Girl. Use the ideas from the loom to help!

Science

Over the course of this week, we would like you to do some exploring in your local environment. You will be documenting all the living organisms you can find and collecting your ideas to make a 'Guide book of living things in my garden' (you can choose your own title!) You don't just need to stick to your back garden either - see the instruction sheet and the Loom link for more details!
