Task

- * Make sure you have completed your chapter for Goth Girl.
- * Choose a way in which you want to present it, you could:
 - Read it like an audio book with the words on screen
 - Video yourself reading it (you may want to dress up as one of the characters)
 - Create a scene and voice over your story (see Loom for Mr Pattison's)
 - Write your work up neatly and send to Mr Hubbard or Mr Pattison via the class e-mail address.
 - Create an animation with your story voiced over
 - Make your chapter into its very own book. -
