

**1/2/21**

**LO: to find and calculate with a one-step rule.**

**Please join the lesson LIVE at 11:00 (same Zoom link as last week)**

**Here is a Loom link too:**

**<https://www.loom.com/share/663c07ef03464a77aed3a81ab860dec7>**

**At some point this week, try to watch the following MathAntics clips (the last one is a bit tricky so don't worry if you miss this one out!):**

**Clip 1**

**[Algebra Basics: What Is Algebra? - Math Antics - YouTube](#)**

**Clip 2**

**[Algebra Basics: Solving Basic Equations Part 1 - Math Antics - YouTube](#)**

**Clip 3**

**[Algebra Basics: Solving Basic Equations Part 2 - Math Antics - YouTube](#)**
