

Home Learning – 6th/7th January 2022

- Maths – join the Zoom link at 9am!
- English – join the Zoom link at 10am!
- PE – LO: to know what a dance motif is.
- Watch this YouTube clip and count how many different dance moves you can see. Can you pause the video and try to recreate some of the dance yourself? If you are embarrassed, do it on your own in front of a mirror – you might be surprised at how good you are!
www.youtube.com/watch?v=p-rSdt0aFuw&list=RDp-rSdt0aFuw&start_radio=1
- Spelling – try to sort all the spellings in the document into their different word endings.
- PSHE – LO: to set three achievable targets for this term.
What are you going to get better at this term? Think of three things to improve upon. Tell me how you are going to get better, for example by practising 5 minutes a day.
- History – LO: to explain what a civilisation is.

Watch this entire video and then write down the nine main features of a civilisation: www.youtube.com/watch?v=J2exRx5QMRU

We are living in a civilisation because we have specialised jobs such as police officers.

Complete this sentence:

We are living in a civilisation because we have...

- Complete the MyMaths activities on the website
- Read for twenty minutes a day
- Go on TT Rockstars for 15 minutes a day
