

Wednesday 3rd February

L.O. I can understand the features of a biography

Loom link: <https://www.loom.com/share/69ccbd4621d34bba8b840fb7b4ac24eb>

Task:

- Follow the example on the loom and identify the features you can see in the Joe Biden biography. This can be found in the English folder.
- Highlight the features using colour pencils or highlighters and label them. You may find brackets, relative clauses, ISPACE openers, headings, sub headings, dates and different types of punctuation.
- When you have identified the features, write a sentence explaining why they have been used.
e.g. Brackets have been used to provide extra information.
- When you have done that, think about what our success criteria could be for our biography writing.
