DATES FOR THE DIARY

28th Jan – FSU cake sale

12th Feb – PTFA Disco

16th Feb – Half term

23rd Feb – Back to school

From Mr Dyer...

What a horrible week of weather we have had! Thank you for making sure that children have had their coats in school. We do try to get out at lunch and playtimes whenever we possibly can. The chance to run around in the fresh air really helps re-focus children on their learning. Sadly, we have had to endure some 'wet play' times over the last couple of weeks. During these indoor times, Lego is a popular activity and so is model-making and painting. If you happen to have Lego or Warhammer-like models at home that you no longer need, please let us know and we may well be able to take it off your hands!

On Monday, I took 11 children to take part in a local football tournament. For several of the girls, it was their first football match as a team, and we enjoyed teaming up to play against our friends from other local schools. We were excellent at defending...only conceding two goals in the whole tournament! Sadly, goal-scoring was much more of a challenge, and this meant that we finished mid-table overall! Well done to all of the girls for the endeavour and teamwork.

This week, Mrs Batten and I met with our Inclusion Partner, Karen Sims. We were discussing the school's efforts to ensure all children attend as often as they possibly can. Currently, our attendance for the year is 94.3%, which is somewhat short of our 97% target. You can read about our approach to supporting attendance at

<https://www.brixington.devon.sch.uk/pupil-attendance/>, which also explains when and why certain letters are sent to parents about school absence.

22/01/2026

Dear Resident,

We are writing to inform you about planned night works as part of the ongoing works at Dinan Way, on behalf of Devon County Council.

Hulham Road Night Works

Essential highway maintenance will be taking place on Hulham Road between 26th January and 8th February, during night-time hours. These works are necessary to maintain road safety and improve the condition of the carriageway.

Planned Traffic Management

- 26th - 28th January: Lane closures with traffic lights from 8pm - 6am. Works will include raising ironworks and replacing damaged kerbs.
- 29th January – 8th February: Full road closure 7pm - 6am. A signed diversion route will be in place while crews install the new surface course on the roundabout, apply anti-skid surfacing, and complete road markings, studs and signage.

If you need further information, then please have a look at the Devon County Council Website.
