From Mr Dyer...

To start this half term, we have been reminding the children of our school's rules around behaviour and attitudes. To help make our rules at school even clearer, we have adopted the phrase: **Ready, Respectful, Safe**. This language will help staff and children celebrate the behaviours we need to see, and to confront any behaviour that is not showing readiness, respect or safety.

Ready, Respectful, Safe

We will be having regular focuses upon different things to help make our behaviour even better. Next week, the focus will be:

READY to learn: School Uniform

All families are asked to ensure that children's uniform is complete and in line with our uniform rules, including those around jewellery:
<https://www.brixington.devon.sch.uk/school-uniform/>.

If you need any help or support with uniform, let us know as we often have second-hand uniform available.

If your child has a minor uniform adaption in place, due to a special educational need, this should be discussed and reviewed with the class teacher as soon as possible.
