DATES FOR THE DIARY

2nd Apr – Last day of term

2nd Apr – PTFA Bingo

20th Apr – Back to school

From Mr Dyer...

Today was our special assembly for the Friendship Award. These half termly assemblies are an opportunity to celebrate children who have consistently shown one of our school values and really stand out from their peers in this area. Today we celebrated friendship and heard about children who always put others before themselves, take time to make others feel happy at school, and show kindness and tolerance to all. It was a pleasure to see how proud of their friends all of the children were.

It was our final toddler group of the term this morning. This is a real highlight of the week for our school community, with parents/carers and their young children enjoying toys and games...and cake! Spread the word to all of your friends who have pre-schoolers: 9-11 every Friday!

Our new SENDCO, Cassandra Langmead, will be hosting a coffee morning on Wednesday April 1st for parents/carers of children with SEND. This will be a *chance* to have open conversations with staff and other parents/carers about your child's experience at school. Ms Langmead is working hard to get to know our children and is looking forward to talking with parents and carers about their thoughts and feelings around school and what else can be done to make their children's experience even better. The event will be in the Learning Hub on the lower site and you are welcome to head there straight away after drop-off. It will last around an hour. **Please click [here to sign up or to suggest other times that would be convenient for such an event.](#)** [Coffee morning for parents/carers of children with SEND – Fill in form](#) Highlights from our curriculum this week have included preparing fruit and vegetables for cooking, interrogating sources about the BlITZ and lighting fires.

Reporting Absences

Phone the office

Call 01395 266997 option 1. When leaving a voicemail, tell us your child's name and details of illness.

Send a message

Make sure you have downloaded the Arbor app and send us a message.

Evidence

If your child is not in school due to a medical appointment, we will need to see proof of this. A screenshot of a letter or text showing appointment details is plenty.

Do not email

Where possible please do not email as this may not be seen before registration opens.

calls home

If your child has not been reported as absent by 9.30am, we will call home or even do a home visit to make sure your child is safe.
