From Mr Dyer...

Thank you to all the parents and carers, staff and children who spoke with Ofsted inspectors and completed surveys for them this week. The inspection team were able to see how we all work together as a community to support our children, and we were proud to share the children's learning with them. We will be sent a report in the coming weeks, and I will share this with you as soon as it arrives.

Last term, I shared with you the phrase 'Ready, Respectful, Safe' and the efforts we were making in the school to keep improving behaviour and attitudes, including how we walk around school, being present in time for lessons, and wearing our uniform. This week, we have focused upon taking pride in our presentation. Children have made a fresh start in new books, showing their very best handwriting and completing work to be proud of.

Lunchtimes have been joyous this week. A dry field has meant football, den-building, cricket, frisbee and the activity trails have all been popular. For children looking for a calmer lunchtime, we have also been using the outdoor classroom for reading and drawing, and the calm area for toys and games.

Stars of the week!

Reporting Absences

Phone the office

Call 01395 266997 option 1. When leaving a voicemail, tell us your child's name and details of illness.

Send a message

Make sure you have downloaded the Arbor app and send us a message.

Evidence

If your child is not in school due to a medical appointment, we will need to see proof of this. A screenshot of a letter or text showing appointment details is plenty.

Do not email

Where possible please do not email as this may not be seen before registration opens.

calls home

If your child has not been reported as absent by 9.30am, we will call home or even do a home visit to make sure your child is safe.
