From Mr Dyer...

We're proud of our children in Year 6, who have tried hard to show their very best in this week's standardised tests. The SATs are an important opportunity for children to demonstrate what they have remembered from their time in primary school, and test their ability in maths, reading, spelling, punctuation and grammar. The children showed maturity and resilience in tackling the papers and are looking forward to getting their results near the end of the year.

Thank you to all of the parents who attended our phonics workshop on Wednesday. Learning phonics is essential for children's early reading journeys and must happen alongside developing a love of reading and books. If you would like any help or advice on helping your child learn to read - whatever their age - please speak to your child's teacher straight away.

The children in Year 3 and 4 have all visited the beach this week, and enjoyed exciting activities to support their geography learning. They showed our school values of respect and friendship out in the community and even managed to dodge most of the showers!

We are looking forward to a packed week of sports events and PTFA discos next week! Please check our communications for what to wear.

Race for Uganda 2026

Help us raise money so our friends in Uganda can go to school!

Why are we fundraising?

We have learned that some children are not lucky enough to enjoy free education like we do.

Edukid have introduced us to children in Uganda, like Samuel and Patricia, who would not be able to go to school if it wasn't for sponsorship.

We know that going to school keeps children safe and massively improves their life chances.

www.parentpay.com

Who are we fundraising for?

We are raising money to sponsor Patricia and Samuel. We have been helping Patricia for a number of years. Thanks to our help, she has learned English and maths and has ambitions to become a lawyer. She would be the first ever girl in her family to finish school.

PATRICIA

• EDUKID

Hi, my name is Patricia!

I am 12 years old, my favourite food is meat and rice and I love the colour red. My favourite thing to do is play football with my best friend Beyonce.

My favourite subject at school is mathematics. In the future I want to be a lawyer because they have excellent knowledge.

I want to say to my supporters thank you for supporting my school fees!

SAMUEL

• EDUKID

Hi, my name is Samuel!

I am 13 years old. My favourite food is rice and beans because it makes me very strong. I love the colour yellow. My favourite thing to do is play football with my best friend Eric.

My favourite subject at school is English. In the future I want to be a pilot so that I can visit lots of places.

Our House Competition

Friday May 22nd As part of our sports and competition focus that week, we will host a RACE FOR UGANDA event. Children will compete to see how many laps of the field they can complete for their house.

We will share photos and statistics with Patricia and Samuel, and challenge them to find out who are the fastest runners in their school, too!

As well as learning about global citizenship, we will be celebrating the inclusive nature of sports and learning about the importance of supporting others less fortunate than ourselves.

We need your help!

Please sponsor your child and give what you can at www.parentpay.com

We will also have buckets on the playground that morning and afternoon for cash donations, so please ask all your friends and relatives to support us and donate.

Every £500 we raise will send Patricia or Samuel to school for another year.
