22nd Jul -

From Mr Dyer...

Attendance

All of our children are looking forward to a brilliant final week and a half of term. This is an important time of year to make memories and spend time with our friends before the summer holidays. As well as completing important learning as always, there will be transition activities to help prepare us for the next year group and also lots of fun activities with our friends and teachers. Please ensure your child is in school for every one of these final sessions of the year.

I have been getting regular updates from Dartmoor this week, where some of our Year 6 children have been staying with their friends and teachers. This is a real rite of passage for our oldest children, and Mrs Walker has been impressed by their resilience and adventurous spirit. For obvious reasons, they have spent lots of time splashing about in the river! This week I attended a network meeting with other school leaders from across the county. We are going to work together to develop 'place-based' solutions for our families in the coming years. We have acknowledged that often schools are key places to connect with the community and that some essential services – such as health and special needs services – can be difficult or inconsistent to access. There is a genuine effort in working together to improve things for everyone and hoping to have positive news for you about our progress next year.

Stars of the week!
