jumper day

17th Dec – Christmas
dinner day

19th Dec – Last day
of term

From Mr Dyer...

We have had some exciting visitors in school this week. Devon County Council sent Bonster the monster to teach us about all about recycling and reusing things rather than throwing them in the bin.

Today, the Year 1 and 2 children also loved a visit from celebrated author, Rachel Bright, and we enjoyed sharing a story by her in assembly today. I recommend 'The Lion Inside' for your bookcases at home!

Some of our Year 1 and 2 children also attended a sports festival this afternoon and enjoyed the opportunity to try out some new sports games alongside friends from other schools. It's always fun to show off our value of sportsmanship with other children from around the town.

Thank you to everyone who came and spent some pocket money at our Christmas shopping event last Friday....another brilliant community event from our fab PTFA!

Stars of the week!

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).
