From Mr Dyer...

Welcome back, everyone!

The first week in September is one of my favourite weeks of the whole year. It is such a privilege to share in the enjoyment of classrooms as children and staff begin to work together as a team and to see the excitement in the children as they start to tackle new learning.

Thank you for kitting the children out in their smart uniforms. It makes us feel part of one community and reminds us of the values we share as a school. Children have also taken pride in their presentation this week, which we celebrated in assembly today, sharing some truly stunning work! Congratulations to all of our Reception children who already seem so confident and happy in their new classes! We are looking forward to seeing more of our Nursery children in school, too, after their stay and play sessions this week.

I know there are lots of communication channels and apps to navigate as a parent/carer. Please do just email the office if you have any questions. Classes are setting up ClassDojo, too. Please remember that this is a platform for teachers to share positive messages with you and for you to send occasional, minor messages. Remember that teachers are not able to check Dojo every day and that anything urgent must come via the office.
