From Mr Dyer...

It was my pleasure to spend time this week with some of our children whose family members have served in the armed forces. We wrote messages of gratitude to soldiers around the world, from Belize to Brunei. Before respecting the two minutes silence, we heard children's cinquain poems from year six. Thank you to everyone who donated money for our poppies.

We also focused on anti-bullying messages this week, using messages from the Anti-bullying Alliance about the power of kindness.

Today, the safeguarding team and I have been receiving crucial training and updates from Devon county. Thank you for helping us maintain all our safeguarding procedures, especially arriving at school on time and letting us know promptly if your child must be absent. We received facts about children's use of technology, which many of you will find interesting and relevant to your children:
