## From Mr Dyer...

What a fantastic night of fireworks we enjoyed on Wednesday!

Thank you so much to all of our PTFA and staff helpers who made the event possible. It is a highlight of our community calendar and it is always wonderful to see so many families and local residents sharing the celebration together...it even raised a few pennies for our crucial PTFA fund, too!

In assembly this week, children learned the importance of celebrating differences and being tolerant, and how the gunpowder plot was an example of what can happen when people are intolerant of others' views.

On Wednesday this week we invited a member of the local authority team to come in and review our safeguarding procedures. Safeguarding is everyone's responsibility and the most important thing we do in school. Our visitor checked things like policies, staff training and reporting, and also took a tour of our site and spoke to pupils about what keeps them safe.

The children described how their teachers make them feel safe and respond to problems they have and also helped us understand where we could do even better. We also talked about how things like NSPCC assemblies, visitor lanyards and fire drills all play a part in keeping us safe. You can read more about safeguarding procedures on our website.
