From Mr Dyer...

This week we enjoyed a special visitor from the Mayor of Exmouth! In assembly, we asked him about his role, how the council make decisions, why he wears an unusual hat and whether there will be an Exmouth Carnival again soon (he was cautiously optimistic about that one!). We learned that council members are elected by adults in the town, and that you don't need any special qualifications to join the council or become mayor.

Today, we were proud of our children who represented the school at a sports festival for children from lower key stage two. They joined friends from across the town taking part in a range of sports and learning about competition and teamwork. It has been a sporty week, with everything from triple-jump to tag rugby taking place on the field.

Please remember that next Thursday, children are welcome to wear their own clothes in return for a donation to our PTA, and that the school is CLOSED to pupils on Friday next week, due to teacher training. The teachers will be working alongside other professionals from the First Federation Trust to develop pedagogical practices that support learning.

Important notice!!

Please remember. we will no longer be sending messages from the school office to parents via MyEd.

Last week we sent out information on how to install our new communications system, Arbor, and we will be using Arbor moving forward.

If you have any problems logging on to Arbor, please contact the school office and we will run through it with you.

We are keeping DOJO and Parentpay.

Thank you.

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
