From Mr Dyer...

We had such a joyful Celebration Assembly today. So many of our children have impressed with showing our values and learning behaviour, this week, and we were also able to say well done to our cross-country runners, two of whom took home medals on Tuesday.

Thank you to everyone who has signed up to the Arbor app (see below). I know hard it is to keep on top of all the different apps and communication channels for schools. We have taken feedback from last year's survey, and the Arbor app really should help make communication easier for parents and school going forward. If you have yet to sign up for it, please do so right away so that you receive all our important information. For now, we will continue using ClassDojo to communicate with teachers, but please remember that this is only for short, simple messages (e.g. to clarify homework or to send praise) and that teachers are not always able to see them every day. Any important or time-sensitive messages should go via the office.

We have a few spaces coming up in our Elms class for 2-year-olds, as some of our recent starters are about to graduate to our Willow class. Do please let friends and family know that Brixington offers funded spaces and has availability coming up.

Important notice!!

From this Monday, 13th October, we will no longer be sending messages from the school office to parents via MyEd.

Last week we sent out information on how to install our new communications system, Arbor, and we will be using Arbor moving forward.

If you have any problems logging on to Arbor, please contact the school office and we will run through it with you.

We are keeping DOJO and Parentpay.

Thank you.

Arbor

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
