From Mr Dyer...

This week I have shown LOTS of families around our school on various school tours. I am always proud when I have this opportunity to share our school's vision and achievements. In particular, visitors are always pleased to hear about our commitment to friendship and strong relationships between children and staff. I have seen that in so many places this week – from Year 6 children helping younger friends share the play equipment nicely, to Year 5 pupils helping their bikeability instructors around school and the local roads.

You will all be receiving a letter from me soon regarding school attendance. At this time of year, there are lots of coughs and colds going around, and it can be tricky to decide whether a child should come to school or not. We have clear guidance around this at:

<https://www.brixington.devon.sch.uk/pupil-attendance/>

Children must always attend school if they possibly can. Every day of absence means missing key learning and falling behind other children. Please do read our website information about this and continue working with us to help children achieve their very best every day.

So far this year, our average attendance is 95.5%, which is lower than our 97% target. Today, only 93.2% of pupils are in school. Much of this is due to illness. Please encourage your child to wash their hands frequently, eat healthily, and get plenty of sleep – to give them the best possible chance of avoiding any unwanted germs!

We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password
6. Accept the Terms & Conditions and enter your child's birthday

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
