From Mr Dyer...

In Celebration assembly today, our brand-new House Captains were unveiled! After all of our key stage 1 and 2 pupils took part in the democratic election process, the votes were counted, and the new House Captains were given their special ties! These children will be our most important role models of our school values: friendship, endeavour, respect, honesty, and sportsmanship.

Our Year 6 children enjoyed a fantastic trip to ECC this week to hear celebrated author, Maz Evans, share her secrets for fantastic writing. As well as a fun and engaging afternoon, the trip was an early step in introducing our children to their secondary school and the fantastic facilities they have there.

It is the Budleigh Literary Festival this weekend and I recommend families have a look at the activities available. A few of our children enjoyed taking part in the annual reading quiz against other schools on Wednesday. Despite excellent knowledge of children's literature, we came unstuck in the specialist Percy Jackson round and didn't quite make the podium.

We are looking forward to seeing lots of you at tonight's PTA AGM, where we will discuss how else our community can work together to provide the very best for all of our children

Several of our year groups will be taking national curriculum assessments this year. You can read about any that are relevant to your child on this government website:
