From Mr Dyer...

We had an absolutely brilliant time up on Dartmoor with 6B this week. The children did a whole host of exciting activities (you can see some photos on Facebook). The most fun thing of all was the opportunity to stay over night with their friends. It made them feel very grown-up to be away from their families, and to take responsibility for things like tidying the dining room and looking after their dirty washing! Dartmoor is such a beautiful place and, for many of our children, it was their first experience of climbing tours and splashing in rivers. We can't wait to take 6H next week!

The sun was shining for our Resource Base sports event today, and the children enjoyed the chance to share their learning and some fun activities with their parents and carers. We are so proud of the amazing personal and academic progress our Resource Base children have made this year.

It was a very musical week, too, with lots of our children taking part in Thursday's Rock Steady concert, and the Devon Music Centre performing in assembly today, showing the children what different music lessons are currently on offer to them. Don't hesitate to get in touch if you are interested in your child learning an instrument in school.

Thank you to everyone who has filled in our school survey, too. The results help us to plan things we can do to improve going forward.
