## From Mr Dyer...

This term, our entire school community will be prioritising our school value of respect.

Our intention is to consistently apply the highest of expectations throughout the school day in terms of pupils' respectful behaviour towards one another and school staff.

We will continue to recognise and appreciate children showing our school value of respect, and to put consequences in place where necessary, including changes to lunch/play provision or removal from the classroom for fixed periods of time. As we help children prepare for the next academic year, staff will continue expecting pupils' very best behaviour this term.

We will be focusing on the following themes in the coming weeks, and we would appreciate your support in sharing the message that these things are important for our school to succeed as a positive and joyful community. These things are essential for ensuring pupils start the day in a productive and courteous manner.

- Complete school uniform (including PE kit)
- Ready for register by 08.50 every day
- Following instructions, from any grown-up, first time
- Looking after property and equipment
- Walking calmly around school
- Children's mobile phones never to be visible in school, even at arrival and departure times.
- Kindness and courtesy (e.g. saying 'Good Morning', holding open doors for one another etc)

Thank you for your ongoing support,
