From Mr Dyer...

We were proud of our Year 6 pupils this week, who have been sitting their statutory assessments (SATs). The tests are an opportunity to demonstrate all we have learned during primary school, and the children approached them with a calm and confident attitude. They represent one important step towards secondary readiness for our oldest pupils. We are grateful to the hard work of all of our staff to support Year 6, this week, including putting on special breakfasts and working additional hours to help invigilate.

Today, we have enjoyed wearing our own clothes to school to recognise mental health awareness. We have learned about the theme of 'community', and the importance of sharing our worries and feelings with other people in our trusted communities. Thank you to everyone who has donated. Our chosen charity is HeadsUp (<https://headsupmha.com/support-us/>) who support a huge number of children across Exmouth and help our school with workshops, lessons and support for our Mental Health Ambassadors.

One of the things that children speak about when it comes to mental health is worries about online behaviour and social media. This week, I wrote to parents/carers of Year 5 and 6 children, sharing some of the things that children have told me about their use of social media. As always, we recommend parents/carers think very carefully about how their children are accessing the digital world. You can see tips and advice at www.tinyurl.com/ebrixington .

We are really looking forward to a fantastic Sports Week next week. Mrs Skinner and Mrs Walker have been busy timetabling a schedule bursting with sporting opportunities, including coaching from lots of local clubs. Please keep an eye on MyEd messages for information regarding kit, sports day etc.
