From Mr Dyer...

You might see some of our children arriving a little early for school next week. Our Year 6 children will be enjoying breakfast in our school hall to help fuel them up for their end of key stage 2 tests. These are an important part of showing secondary readiness and celebrating all we have learned throughout our time at primary school.

We wish all of our Year 6 children the very best of luck.

Some of our children enjoyed a brilliant trip to World of Country Life. Working with animals helped us learn about patience and care, and we practised our values of friendship and respect alongside children from other schools, too.

Our Year 5 children enjoyed an epic trip to the nation's capital on Thursday. It was an extremely long day so we are grateful to all of the parents and carers who woke up super early to drop children at school. We took in the views on the London eye and then walked through the city (which was extremely busy with VE Day celebrations) to Buckingham Palace and lunch in the park. In the afternoon, we learned a great deal about democracy and governance, in a trip to the Houses of Parliament. We learned all about the Houses of Commons and Lords, and how bills are introduced and turned into laws.

Thank you so much to all of the staff who helped organise and look after the children ... it was a brilliant day!
