From Mr Dyer...

Welcome back to all of our families - we trust that you all enjoyed a restful break over the Christmas period.

We have welcomed several new children to our school this week and I enjoyed checking in with them all at lunchtime today. They were all able to share with me the names of several new friends they have made already and I was proud of the friendship they have received from our pupils.

Mrs Hamilton (6BH) has now started her maternity leave and class 6BH will be taught by Miss Hayward on a Friday for the rest of this year.

On Tuesday this week, the teachers all took part in training for a new computer program that will support our maths lessons and homework going forward. During the spring term, children will occasionally be using a platform called Magma Maths to support their maths learning.

Classroom Experience and Information Event

Event Information

This is an opportunity to gain classroom experience and find out more about SWIFT Teacher Training, our route into teaching, courses and PGCE.

This event is based in one of our partner schools where you will be looked after by an experienced Campus Lead, who will be your host for the session.

Activities could include:

- a guided training walk with the campus lead
- introduction to observing lessons and different styles of teaching
- seeing how specific subjects are taught
- engaging in learning conversations with colleagues
- learning more about the SWIFT Teacher Training programme
- questions and Next Steps

Who

Educated to degree level; recent graduates, career changers, returners to work; teaching assistants, anyone interested in teaching.

Further Information

You can find out more information about future classroom experience and information events [HERE](#).

SWIFT Teacher Training

East Devon & Dorset Campus

Brixington Primary Academy

Tuesday 11th February 2025

From 9.30am to 11am

Brixington Lane, Exmouth, EX8 4JQ

Although this is a primary school setting, we welcome anyone interested in secondary school teaching, as the information sharing will also include applications for secondary school training, and the Campus Lead can discuss this option further on the day.
