**26<sup>th</sup> Feb** – Sportystars  
Glow in the dark  
dodgeball

**5<sup>th</sup> Mar** – World book  
day

From Mr Dyer...

The children have managed very well with all the wet weather this week, and we've managed to get out on the playground most days despite the downpours! Several classes were disrupted by staff absence, but the children worked just as hard with their new teachers, and our brilliant team of Teaching Assistants have worked their socks off all week to make sure children, and their teachers have everything they need.

In assemblies this week, we have reminded ourselves of important anti-bullying messages, including what it means to be a bystander, and what the word racism means. The children reflected on their own behaviour, and the actions of others, and considered different scenarios and how they would act.

On Thursday, I attended a Devon County briefing with other school leaders from across East Devon. New leads of various education services (including Inclusion, and Early Years, for example) heard from head teachers and other professionals about current challenges with special needs, behaviour, transition to secondary, and attendance. Lots of ideas were shared about the best ways to move forward in a way that is supportive for pupils and families across the region.

22/01/2026

Dear Resident,

We are writing to inform you about planned night works as part of the ongoing works at Dinan Way, on behalf of Devon County Council.

**Hulham Road Night Works**

Essential highway maintenance will be taking place on Hulham Road between 26th January and 8th February, during night-time hours. These works are necessary to maintain road safety and improve the condition of the carriageway.

**Planned Traffic Management**

- 26<sup>th</sup> - 28th January: Lane closures with traffic lights from 8pm - 6am. Works will include raising ironworks and replacing damaged kerbs.
- 29th January – 8th February: Full road closure 7pm - 6am. A signed diversion route will be in place while crews install the new surface course on the roundabout, apply anti-skid surfacing, and complete road markings, studs and signage.

If you need further information, then please have a look at the Devon County Council Website.
